

## BABY'S ECZEMA SPREAD TO FACE

Broke Out on Neck in Pimples,  
Scaly, and Very Unsightly. Red,  
Raw and Itching. Used Cuticura  
Soap and Ointment. Was Cured.

Cumberland Center, Me.—"My baby  
had eczema break out on her neck when  
about four months of age. It broke out in  
the form of pimples, and in a day or two was  
scaly. When the scales came off it left the  
skin very dark red and indeed very unsightly.  
It spread to her face and chest and was very  
red and raw. It itched and she tried to  
scratch it. I used two boxes of Cuticura  
without effect, and having heard of the Cuti-  
cure Soap and Ointment decided to try them.  
Her neck and chest were very bad. I used two boxes of Cuticura Ointment  
with the Cuticura Soap night and morning,  
and in two months' time she was completely  
cured. She is a year old and her neck is as  
smooth and white as though she had never  
had eczema. I have perfect faith in the  
Cuticura Soap and Ointment." (Signed)  
Mrs. Geo. W. Emery, Feb. 5, 1912.

For pimples and blackheads the following  
is a most effective and economical treat-  
ment: Gently smear the affected parts with  
Cuticura Ointment, on the end of the finger,  
but do not rub. Wash off the Cuticura  
Ointment in five minutes with Cuticura  
Soap and hot water and continue bathing  
for some minutes. This treatment is best  
on rising and retiring. At other times use  
Cuticura Soap freely for the toilet and bath;  
to assist in preventing inflammation, irri-  
tation and clogging of the pores, a common  
cause of these distressing facial eruptions.  
Sold throughout the world. Sample of each  
mailed free, with 32-p. Skin Book. Address  
post-card "Cuticura, Dept. T, Boston."  
# Tender-faced men should use Cuticura  
Soap Shaving Stick, 25c. Sample free.

## TAFT TO BECOME PROFESSOR

President Decides to Accept Kent  
Chair at Yale Law School

Washington, Dec. 19.—President  
Taft has made up his mind to accept  
the proffer of the Kent professorship  
of law at Yale and probably will take  
up his duties at New Haven early in  
the spring. The president was said  
last night to have determined upon  
accepting the Yale professorship for  
several reasons. He will not be re-  
stricted merely to lectures to Yale  
students, but will be permitted to  
lecture if he desires in other law  
schools or upon the platform, or to  
engage in any other occupation which  
he sees fit.

If the president had returned to  
Cincinnati to resume law practice he  
felt that he would have but little op-  
portunity for practice. He felt that  
he could not appear in cases before  
the United States supreme court be-  
cause he has appointed a majority of  
its membership. He remembered  
when he thought of the law that he  
had named many federal judges in  
Ohio before whom he might have to  
argue cases, and he believed that  
about the only sort of practice which  
he could take up would be interna-  
tional, and that he regarded as uncer-  
tain.

At Yale the president will be in-  
surroundings dear to him and will be in  
a position to engage in almost any  
sort of business which he believes an  
ex-president can fittingly engage. The  
analogy between the Yale professor-  
ship and Grover Cleveland's relation  
with Princeton appealed to Mr. Taft  
strongly, and when many of his close  
friends and advisers wrote to him ap-  
proving his acceptance of the chair  
at Yale he decided to take it.

The president expects to spend  
several weeks after March 4 in Augusta,  
Ga., where he has many friends and  
has passed two winter vacations.

The news that the president would  
accept the professorship was received  
with keen pleasure in Yale circles  
at New Haven last night. President  
Arthur T. Hadley said he was "very  
glad" that the president had made the  
decision, and Dean Henry Wade Rog-  
ers of the Yale law school said he  
was "delighted."

duced in the legislature by Represen-  
tative F. C. Martin of Bennington:  
An Act Relating to the Care of In-

## TO SUCCEED F. C. SMITH

Harry T. Robbins of Newport, Can-  
didate for National Bank Examiner

Montpelier, Dec. 19.—Announce-  
ment was made yesterday afternoon  
of the candidacy of Harry T. Rob-  
bins, the Representative from New-  
port, for appointment to the office of  
National Bank Examiner made vac-  
ant by the recent resignation of  
Fuller C. Smith of St. Albans.

Mr. Robbins is one of the young  
progressive men of Vermont and is  
considered among banking men of  
the State as one of the best. He  
was born in Derby, May 14, 1874,  
where he passed the early years of  
his life and was graduated from Der-  
by Academy. In 1899 he moved to  
Newport and has since made that  
town his home.

He began his banking career with

the National Bank of Newport and  
worked his way step by step until he  
reached his present position of cas-  
hier of the institution. He has held  
several town offices, among which is  
that of town auditor.

## GOV. DENEEN OPTIMISTIC

Tells Republican Conference to Rally  
Round Old Standards.

Chicago, Dec. 18.—"Disappointed  
ambition" was the motive Gov. De-  
neen assigned today to the Progres-  
sive party leaders. Deneen was the  
big central figure at the State Repub-  
lican conference in the Hotel La-  
Salle and made the main speech.  
Representative Republican leaders  
from the entire State entered with  
enthusiasm in the start of the fight  
to rehabilitate the old party.

"Their platform was an after-

thought," declared Gov. Deneen in  
scoring the Bull Moosers. "Their  
plan was to undermine the Republi-  
can party leaders and destroy public  
confidence in the party organization.  
They pursued the policy which  
throughout the party's history had  
been followed by leaders whose am-  
bitions has been disappointed."

"The platform of the so-called Pro-  
gressive party was little more than  
an enumeration of things already ac-  
complished by the Republican party  
in Illinois or of what was in course  
of accomplishment."

Gov. Deneen came out in favor of  
reapportioning the representation in  
Republican National conventions in  
answer to the charge of a "stolen  
nomination." He said the delegate  
strength should be based upon the  
party's actual voting strength, there-  
by cutting down Southern States' rep-

resentation. He insisted that the  
Republicans need only to rally  
around the old standards in order to  
march to new victories.
